WELCOMES YOU

We are a family, owned and operated business and have been servicing the hospitality and tourism industry for 20+ years.

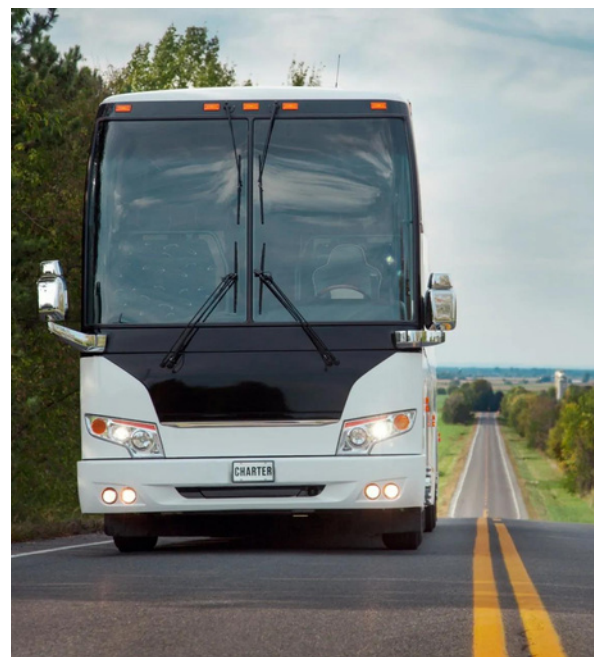

Our family acquired the **Zig Zag Motel, Lithgow**, in 2001. This motel offers a mix of motel rooms and apartments, the popular Frankie's Italian Restaurant & Bar and Frankie's external catering. Located in a valley just west of the Blue Mountains, Lithgow is a fascinating town with an industrial heritage.

Our family acquired the **Heritage Inn, Bathurst**, in 2021. This lovely motel offers an array of room types, breakfast room and partnered with Bathurst RSL for dinner events. The vibrant city of Bathurst is rich with gold rush heritage, home to Australian motor racing and steeped with beautiful natural resources.

We look forward to accommodating your group.
